Dear Lisa,

It is with heavy hearts we share the sad news that our beloved founder, Beverly Bronson, has died from cancer. She passed peacefully today on Mother's Day in Naples, Florida, at the home of her daughter, surrounded by her loving family and friends.

Beverly lived an extraordinary life. From her early life in England to the decades she spent living in New York's East Village to her work in Nepal, Beverly opened her heart to those in need. She walked and acted in kindness, compassion, selflessness, and most definitely, with determination.

Her bright spirit lives on in the lives of all she touched, including those of us who worked with her closely as directors of the House with Heart board. That spirit will guide us as we continue her work on behalf of the children and women in Nepal.

We send our deepest condolences to Beverly's daughter, Kyla; her son-in-law, Matt; her grandchildren, Kyle, Hannah, and Ava; her partner, Mike Ogletree; and, of course, to the children and staff of House with Heart.

A memorial service will be held in the coming months to celebrate the life of our dear friend Beverly, with details to follow.

Sharing in your sadness,

Colleen Boland, Chair
Lisa Hartmann, Secretary
Nicola Hayward
Fred Ripley, Treasurer
